

2019 – 20 Saturday Series incorporating the SFSS Schools' League

Orienteering is a challenging outdoor adventure sport. The aim is to navigate between control points marked on an

orienteering map and decide the best route to complete the course in the quickest time.

It does not matter how young, old or fit you are, as you can run, walk or jog the course and progress at your own pace.

These events are specifically aimed to introduce people of all ages to the sport and also incorporate the schools' league. However all our events have courses suitable for all abilities - see the website for more details.

The events are held on Saturday afternoons. They are run by South Yorkshire Orienteers and courses are open to the general public, so parents and younger children are encouraged to give it a go!
